MONDAY, JUNE 26, 2017

9:00 am
Northeast Ohio Medical University
Mr. Lindsay Loftus is the Senior Development Officer of Northeast Ohio Medical University (NEOMED). He will provide a guided tour of the university and point out a new model for how medical students are educated today and how that improves delivery of care.

Lunch on the road.

1:00 pm
Regency Hospital Long Term Acute Care
Mr. Tim Rolsen, CEO of Regency Hospital Long Term Acute Care (LTAC) will lead a presentation and tour of the facility. What is long term acute care (LTAC)? Where does it fit in the delivery of care? Learn about the current state of ACA and what LTACs are doing.

TUESDAY, JUNE 27, 2017

9:00 am
Metro General Hospital
Dr. Gary Clark of Metro General Hospital will provide a presentation about the rehabilitation services offered at this extensive clinic.

Lunch on the road.

1:00 pm
Cleveland Clinic Foundation
Mr. Tom Sudow, Director of Business Development, will present a brief history of the Cleveland Clinic and share the four pillars that support its mission and vision.

WEDNESDAY, JUNE 28, 2017

9:00 am
Akron General Visiting Nurse Service
Akron General Visiting Nurse Service with Ms. Jodi Wagner, BSN, RN CHPN. Ms. Wagner is the Hospice Manager, Inpatient Services, and will guide the tour.

Lunch on the road.

1:00 pm
The Renaissance
Tour The Renaissance, a continuum of care living facility, with Ms. Sandy Skerda. This campus serves a population with different levels of care from independent living to assisted living to full service nursing care. Ms. Skerda will place a special emphasis on the Japanese memory retention program called Saido.

THURSDAY, JUNE 29, 2017

9:00 am
Global Center for Health Innovation
Ms. Barbara McBee, Executive Director, will lead the tour of this new facility sponsored by the Cleveland Clinic Foundation which serves to showcase healthcare technologies and future trends. The visit includes a presentation by Donald Sheldon, MD and VP for University Hospitals West.

Lunch on the road.

1:00 pm **Medina Creative Housing**
Medina Creative Housing provides living quarters for chronically challenged people with cognitive or physical disabilities. Ms. Dianne DePasquale-Hagerty, President, will explain work opportunities, vocational training and goal setting available to the residents. They provide life skills and social skills for the people they serve, who are as young as 8 years old. They also provide multiple therapies in support of independent living arrangements.

FRIDAY, JUNE 30, 2017

9:00 am
University Hospitals
University Hospital, Siedman Cancer Center will be toured with Ms. Hanna Keyes. A presentation on cancer research being done at the Center will be offered by Mr. Chris Murphy, RN.

12:00 pm **Lunch**
Baldwin Wallace University Colony Room

1:30 pm
Kamm Hall, Room 132
Discussion with Dr. Lee Pickler. The week in review, what we have learned and what we want to discuss further.

6:00 pm
Dinner Party
at the Pickler home with Lee and his wife Carolyn.
